

## TEMPORARY JOB OPPORTUNITIES IN TWERTON

Care about the environment?

Enjoy meeting people?

Looking for flexible hours and a short contract?

If you care about the environment, why not help promote water saving and water efficiency in Twerton? Be part of a project (funded by the Environment Agency) to visit homes in this area to talk face to face with people about ways they can save water (and money) with a few simple steps. Full training will be given. There is no hard sell, but you will be expected to encourage and enable people to save water by giving out information and water saving freebies.
