

Summer Party

Dear Bath Resident

The Community Learning Service would like to invite all residents to our Summer Party on Wednesday 16th July from 9.45-2.30pm at Bath City Football Club, High Street, Twerton.

The event will include a free buffet lunch and will be supported by a free crèche at First Steps Nursery, Woodhouse Road, Twerton. We will be celebrating by offering free workshops: Aromatherapy Hand Massage, Chinese Brush Painting, Ceramic Painting and we will be joined by Sue Torr MBE who will be travelling from Plymouth to bring us her own special thoughts and experiences of learning to read and write as an adult.

The Community Learning Service is funded through the Learning and Skills Council to provide activities and courses for adults over 19 years of age with few or no qualifications and/or who need help, the confidence and skills to return to learning or work.

During the Summer Party we want to gather as much feedback as possible from everyone about the types of activities they may have previously enjoyed with us and what types of free courses they would like to attend in 2008-09.

Learning Champions will be supporting the event and are learners who have experienced our activities and gone on to gain an NOCN Level 2 Learning Champion Award and who help and support their peers to return to learning.

Why not get a group together, book a table and enjoy a day out with friends - experience something new. We would especially like to see residents who have already attended activities with us and also invite those who would like to brush up their confidence and skills to return to learning or work.

Please call Jane Fell, Community Learning Development Worker Tel 01225 396192 or email jane_fell@bathnes.gov.uk to confirm your attendance ~ RSVP by Friday 11th July.
